

---

--- I am a stay-at-home mom with three kids that are my life. I also run daisysdestruction, where I showcase the clothes that get destroyed by Daisy during the day. It's basically just me posing my problems for others to see. My blog has become so popular because I am able to create content quickly and get new clothes for free or cheap because of Daisy's destruction! She is so lucky she is adorable!

=====>Please edit sentence marking--it should be "I am" not "I'm."
