Country and Western Music (album) Country and Western Music is a 1955 compilation album on the Okeh Records label, comprising performance by Johnny Cash, Bob Wills and the Texas Palyboys, Hank Snow, and Webb Pierce. It was digitally remastered and reissued on CD in 1999 by Collectables Records as a bonus disc with the reissue of their 1990 compilation album, The Very Best of Johnny Cash. Reception Stephen Thomas Erlewine on Allmusic.com gave the reissue a positive review, writing that the set "has a clean, well-produced sound and sin's bogged down with unnecessary filler songs."
