Join us for the launch of World of Warcraft: Classic Patch 5.3, which includes a host of new features and improvements for both new and old players. The latest update to the classic version of

World of Warcraft brings with it a number of new features, from the iconic Goblins to the removal of the epic cinematic scene at the end of the game. This patch is live for both PC and Xbox One, and can be downloaded from the game's official launcher. Build Of The Week Goblins Guide Pack Goblins Guide Pack is a collection of useful information for those who want to find your way around these awesome little creatures. The guide includes new notes, maps, artwork and more, so you can quickly navigate through the wilderness. Build Of The Week Classic World Of Warcraft Leveling Guide Last Updated: 03/08/19 In this guide you will find out how to become a level 20 in World of Warcraft: Classic. All other topics including world, trade, guilds and combat related will be available in the next step. All other topics including world, trade, guilds and combat related will be available in the next step. Requirements: You must have a minimum of level 20 to follow this guide. Have any old item in your inventory which was sold by a vendor Step 1. Getting a Level 20 Level When you reach level 20, your quest will be marked with a diamond which will lead you to a quest, where you will have to go kill some level 20 mob and then meet a NPC named Uldaman for a quest. Step 2. Explore The World In this step you will travel to the new 'World of Warcraft'. It is the first time that you will be able to travel beyond Orgrimmar. There is a map at the bottom that will lead you to the new 'World of Warcraft'. Before going there, read the Lore of The Wastes. It will expand your world knowledge. You will also meet a few new NPC named Durotan, Thrall and Lothar. Durotan will ask you to look after his Icestorm shield. Thrall will ask you to look after his spear. Lothar will ask you to look after his greatsword. Step 3. Quest With Thrall 1cdb3666d
